Important note on changes to ALFA's Consolidated Financial Statements

ALFA's shareholders approved to spin-off ALFA's share ownership of Axtel into a new, listed entity called "Controladora Axtel" on July 12, 2022. The shares of "Controladora Axtel" were distributed to ALFA shareholders and began trading on the Mexican Stock Exchange on May 29, 2023. In accordance with International Financial Reporting Standards (IFRS), Axtel meets the definition of a "Discontinued Operation" for purposes of ALFA's Consolidated Financial Statements. "Discontinued Operations" are the net results of an entity that is either being held for disposal or which has already been disposed of.

The changes in ALFA's Consolidated Financial Statements are as follows:

- The Consolidated Statement of Financial Position presents Axtel's assets as "Current assets from discontinued operations" and its liabilities as "Current liabilities from discontinued operations" at the close of 2022. At the close of 2023, all Axtel figures were eliminated. Prior periods are not restated.
- The Consolidated Statement of Income presents Axtel's net revenues and expenses as a single line item "Profit (loss) from discontinued operations" as follows:
 - 4Q22: accumulated figures for the three months ended December 31, 2022
 - 3Q23: no figures presented related to Axtel
 - 4Q23: no figures presented related to Axtel
 - 2022: accumulated figures for the 12 months of 2022
 - 2023: accumulated figures for the four months and 29 days ended May 29, 2023
- The Change in Net Debt presents Axtel's net inflows and outflows as a single line item "Decrease (Increase) in Net Debt from discontinued operations" as follows:
 - 4Q22: no figures presented related to Axtel
 - 3Q23: no figures presented related to Axtel
 - 4Q23: no figures presented related to Axtel
 - 2022: accumulated figures for the six months and 12 days ended July 12, 2022
 - 2023: no figures presented related to Axtel
- The Change in Net Debt also presents Axtel's Net Debt balance as "Net Debt from discontinued operations" at the close of 3Q22. Prior periods are not restated and subsequent periods (4Q23, 3Q23, 2Q23, 1Q23 and 4Q22) do not present figures related to Axtel.

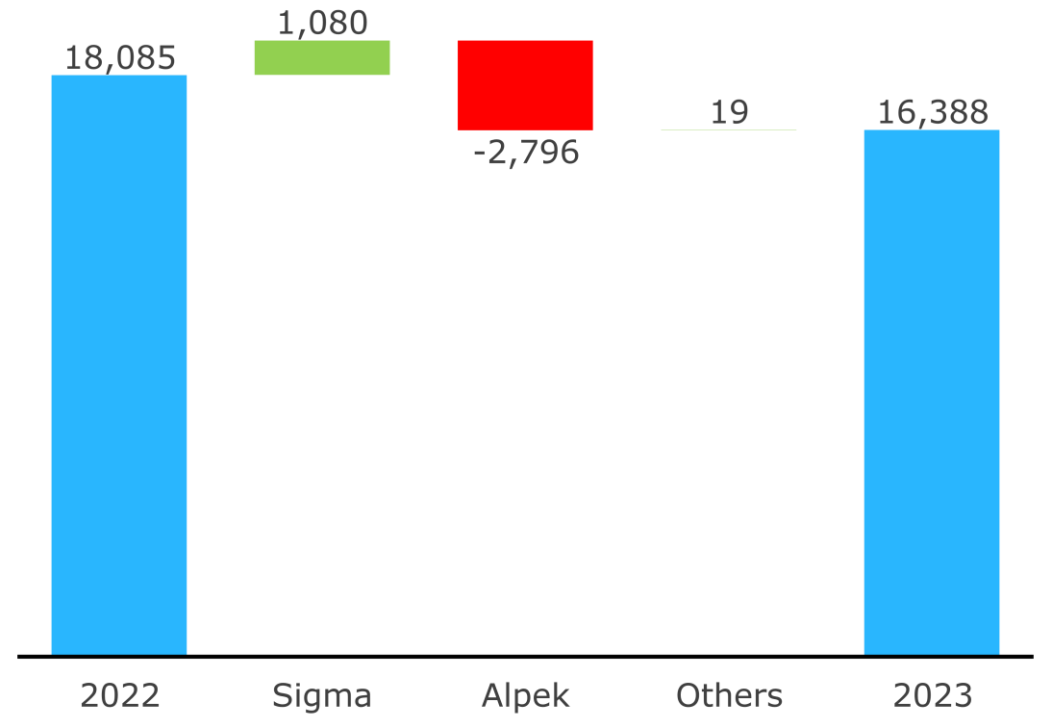

- **ALFA positioned for final phase of its transformation process**
 - Completed Axtel spin-off and supported Subsidiaries in developing greater self-sufficiency
 - Reduced Dividends and suspended Share Buybacks in 2023

2024 Euro bond refinancing

- Sigma paid its Euro Senior Notes due 2024 (February 2024)
- The total outstanding principal amount of €600 million was paid at maturity with funds from four bilateral, long term bank loans
- This transaction strengthens Sigma’s financial position by extending its average debt maturity to 3.1 years from 2.2 years

Mexican local Bond program

- Engaged in establishing a long-term revolving peso-bonds program (January 2024)
- A potential issuance under this program would mark Sigma’s return to the local bond market after 15 years, and complement the company’s sources of funding in pesos

ESG – Emissions & Ratings

- Sigma’s emissions calculation for 2019 was verified by Carbon Trust, a third party, in compliance with ISO-14064-3
- Improvement year-on-year of S&P Global CSA scores to 42 points in 2023 up from 35 in 2022. This is the first time the S&P score is made public
- CDP: Maintained “B” score for Climate Change and Water, above the average industry score of “C”

4Q23 Highlights

- Actively engaged in initiatives to reduce costs and maximize cash flow
- 4Q23 Revenue and Comparable EBITDA down 31% and 38% year-on-year, respectively
- Net Debt down 7% year-on-year supported by Net Working Capital recovery and Capex rationalization
- Sequential improvement in various petrochemical industry references: Asian polyester margins up 5%
